Person id	App/website/link	Problem	Likes	Dislikes	Improvement	age	Gender	Education
C.Vikas	Threads	If I want to delete my Threads account, I have to delete my Instagram account as well	Interface	Similar to Twitter	Not linking the Threads account with Instagram account so that you can have to 2 different accounts. If you don't like one you can delete the account.	25	Male	Undergrad
N.Suresh	Netfilx	Offline viewing can be done only in some devices and not all content can be downloaded to watch it offline while travelling etc.	Video quality	Regional restriction	Flexibility in downloading content and increase in the content which can be downloaded to watch offline	26	Male	Software Employee
Snehith	Betway	Only works in Orlando state. Other state people can install the app and put money in the app but cannot use it. You cannot even	Interesting offers.	No guarantee for money back	We should not be able to download the app if it does not work in other regions. Also, you should be able to withdraw the	26	Male	Pursuing Masters

		withdraw the money.			money back if you do not want to use the amount to bet on anything.			
Aekansh	Fitness Apps	There are so many fitness apps but none of them monitor your form and won't tell you if your form is right or wrong, this is a problem for beginners.	You can work out at home at your comfort.	No one to monitor your posture/form.	Using Augmented Reality and AI you can monitor the form of the user and give notification to user that the form is wrong and suggest the correct way.	27	Male	Software Employee
Nancy	None	There are so many individual websites for small business but there is no app which allows to locate small businesses in various location	You can find any small business registered in the app based on the location filter	None	So, if you enter your location, you will be able to see all the small business (which are registered in the app) near you.	21	Female	Bachelor's in finance
